

# HITTING NEW HEIGHTS

Climbing to new heights

Timothy flies high on the trampoline

Spartan Gymnastics hosted a PA Day camp at their spacious new facility on Connell Court in mid-February. The day-long camp gave kids the opportunity to tumble, bounce and climb away any school stress. With three rock climbing walls, four trampolines and a huge foam pit, there was seemingly no end to the energy-burning options at the 11,500-square-foot facility. Parents will appreciate the new location, too – it's just a stone's throw away from the Gardiner Expressway and has ample parking. For more information, visit [spartangymnastics.com](http://spartangymnastics.com)
